

DISHWASH DETERGENT TANNIN CONCENTRATE

Re-Order
Code:

02923

ESSENTIAL PPE

POTENTIAL HAZARD

Highly concentrated

Hard & soft water areas

Effective & economical

Commercial machines

Uses:

A highly concentrated detergent for machine dishwashing providing outstanding cleaning, combined with economy of use in hard water areas. Dishwash Detergent is suitable for most types of dishwashing machines and is safe on most materials including plastics, ceramics, stainless steel and copper. Do not use on aluminium, alloys or galvanised surfaces.

Directions:

Use via positive metering system. Concentration is dependant on soil loading and water hardness within the range:
1 part to 1000 parts water for light soil
1 part to 500 parts water for heavy soil

Safety Guidance:

Safety: Prevent contact with skin & eyes.
Keep out of reach of children.
Observe common sense precautions when handling chemicals.

Wear suitable gloves/eye protective clothing.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so.

For professional use only.

Safety data sheet available for professional user on request.
