ESSENTIAL PPE

POTENTIAL HAZARD

Leaves fabrics feeling fresh & clean ✓

Deodourising action ✓

Hard & soft water areas ✓

Commercial machines ✓

Uses:

New formula one shot laundry liquid is effective in both hard and soft water areas, which contains a pleasant deodourising action. This product is biodegradable. Protect from freezing. Store in cool, well ventilated area. Keep container tightly closed. Store above 10 degrees C. Formulated for use in commercial laundry machines.

Directions:

Use via positive metering system. Concentration is dependant on soiling and water hardness within the range of:

8ml - Per dry kilo for light soiling

12 ml - Per dry kilo for heavy soiling

Safety Guidance:

Safety: Prevent contact with skin & eyes. Keep out of reach of children. Observe common sense precautions when handling chemicals.

Wear suitable gloves/eye protective clothing.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing. Immediately call a POISON CENTRE or a doctor/physician.

For professional use only.

Safety data sheet available for professional user on request.
