

Safety Data Sheet

According to 1907/2006/EC

Brillo Soap Filled Pads

Revision Date: 01/01/2017

1. Identification of the substance/preparation and of the company/undertaking

Product name: Brillo Soap Filled Pads
Recommended use: Professional kitchen hygiene product.
Company Name: Trust Hygiene Services
Principle House
Leamore Lane
Bloxwich
WS2 7PS

Emergency Numbers: 0370 3500 988 M-F 09.00 - 17.00 Outside of office hours, call NHS Direct on 111

2. Hazards identification

Classification: The product is "non-dangerous" according to the classification system of current EC guidelines on dangerous substances and preparations and corresponding national legislation

Further indications on the label:

Rinse and dry hands after use. For prolonged contact, protection for the skin may be necessary.
Safety data sheet available for professional user on request.

3. Composition/information on ingredients

Description: Mixture of non-dangerous ingredients and substances listed below.

Ingredient(s)	EC number	CAS number	Classification	Weight %
potassium carbonate	209-529-3	584-08-7	Xi; R36/37/38	< 5
sodium carbonate	207-838-8	497-19-8	Xi; R36	< 5

* Polymer.

For the full text of the R phrases mentioned in this Section, see Section 16.
Occupational Exposure Limit(s), if available, are listed in Section 8.

4. First aid measures

Inhalation: Remove from source of exposure. If discomfort persists, obtain medical attention .

7. Handling and storage

Handling

Advice on safe handling: Handle in accordance with good industrial hygiene and safety practice. Do not mix with other products unless advised by Diversey.

Prevention of fire and explosion: No special precautions required.

Storage

Requirements for storage rooms / facilities: In accordance with local and national regulations.

Combined storage in storage rooms / facilities: No special measures required.

Storage conditions: Store in original container.

8. Exposure controls/personal protection

Exposure limits

General protective and hygienic measures: Handle in accordance with good industrial hygiene and safety practice.

Personal Protective Equipment

Respiratory protection: No special requirements under normal use conditions.

Hand protection: Rinse and dry hands after use. For prolonged contact protection for the skin may be necessary.

Eye Protection: No special requirements under normal use conditions.

Skin and body protection: No special requirements under normal use conditions.

9. Physical and chemical properties

General Information

Physical State: Solid
Colour: Pink
Odour: Product specific

Important Health Safety and Environmental Information

Dilution pH: > 12 (10%)
Boiling point/range (°C): Not determined
Flash point (°C): Not applicable
Flammability: Not flammable.
Explosive properties: Not explosive.
Oxidising properties: Not oxidising.
Solubility in / Miscibility with Water: Soluble

10. Stability and reactivity

Conditions to avoid: No decomposition if stored and applied as directed.
Materials to avoid: Reacts with acids.
Hazardous decomposition products: None known under normal storage and use conditions.

11. Toxicological information

Acute effects and sensitisation

Acute toxicity: This product has not been tested on animals but based on the toxicological classification the LD50 (oral) is estimated to be > 2000 mg/kg.

Skin contact: Unlikely to be irritant in normal use.

Eye contact: Can cause irritation.

Inhalation: Unlikely to be irritant or harmful in normal use.

Ingestion: Unlikely to be harmful unless excessive amount ingested.

Sensitization: No known effects.

CMR effects (carcinogenicity, mutagenicity and toxicity for reproduction):	No known effects.
Repeated dose toxicity:	No known effects.
Additional toxicological information:	The product is not subject to labelling requirements for toxicological properties or human health effects according to the classification system of current EC guidelines and corresponding national legislation. When used and handled according to instructions, the product is unlikely to have any harmful effects.

12. Ecological information

General Information:	This product is not subject to labelling requirements for environmental effects according to the classification system of current EC guidelines and corresponding national legislation.
-----------------------------	---

13. Disposal considerations

Product	
Waste from residues / unused products:	Dispose of in compliance with all Federal, state, provincial, and local laws and regulations.
European Waste Catalogue:	20 01 30 - detergents other than those mentioned in 20 01 29.
Empty packaging	
Recommendation:	Dispose of observing national or local regulations.

14. Transport information

ADR/RID	
Class:	-
IMO/MDG	
Class:	-
ICAO/IATA	
Class:	-
Additional Information:	Non-dangerous according to above regulations

15. Regulatory information

Ingredients according to EC Detergents Regulation 648/2004	
soap	>=30%

16. Other information

The information in this document is based on our best present knowledge. However, it does not constitute a guarantee for any specific product features and does not establish a legally binding contract

() This brand is used under authority from SC Johnson & Son Inc. Racine, Wisconsin, USA*

Text of R phrases mentioned in Section 3:

- R36 - Irritating to eyes.
- R36/37/38 - Irritating to eyes, respiratory system and skin.
