

PROFESSIONAL FLOORCARE RANGE

FLOOR POLISH STRIPPER

Re-Order

Code:

03920

ESSENTIAL PPE

POTENTIAL HAZARD

Uses:

For the stripping of metallised and non-metallised polish from linoleum, rubber, sealed wood, terrazzo and thermoplastic floors. Effective heavy duty formulation for the removal of impacted dirt from concrete and non-porous surfaces.

Directions:

Polish stripping - dilute 1 part to 10 parts hot water. Allow to soak on floor for 10-15 minutes. Scrub thoroughly, preferably with a scrubbing machine fitted with a nylon scrubbing pad. Remove solution with a mop or suction drier. Rinse thoroughly and allow to dry before reapplying polish.

FOR PROFESSIONAL USE ONLY.

Danger

Causes severe skin burns and eye damage.

Keep out of reach of children. Wash hands thoroughly after handling. Wear eye protection, protective gloves, protective clothing. IF SWALLOWED: rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get immediate medical attention. Store locked up. Keep out of reach of children. CONTAINS: Sodium metasilicate

Pleasant fresh pine needle aroma, no choking ammonia fumes

Quick removal of all emulsion and metallised polishes even those 'aged on'

Controlled foam for use with suction driers and combined machines

Modern chelating action "unlocks" metallised polishes
