

PROFESSIONAL CATERING RANGE

REFRESH AIR & FABRIC ODOUR NEUTRALISER

Re-Order
Code:

09091

ESSENTIAL PPE

POTENTIAL HAZARD

Ready to use

Fast acting

Pleasant fragrance

Kills bacteria

DIRECTIONS:

Can be used on most surfaces and is suitable for use against urine, tobacco smoke, food smells, pet odours, vomit etc. Kills most common forms of bacteria. Remove gross contamination before treatment, thoroughly wet the area with product and allow to dry onto fabric, wiping other surfaces dry. Blot fresh urine spills with paper or towel, thoroughly wet the area with product, remove excess liquid and allow to dry. Treat old spills first with hot water extraction machine, then wet the area with neutraliser, allow a short period to react and extract the residue. Always test a small area first to ensure no damage may occur.

DANGER:

Contains 0.25% Quaternary Ammonium Compounds, Benzyl-C8-18-alkyldimethyl, chlorides. Keep locked up and out of reach of children. In case of contact with eyes, wash immediately with plenty of water and seek medical advice. Do not mix with other chemicals.

HAZARDOUS INGREDIENTS:

Primary Alcohol Ethoxylate - less than 10%

Propan-2-ol - less than 10%

Bronopol (INN) - <1%

Alkyl Dimethyl Benzyl Ammonium Chloride - <1%

For professional use only.

Safety data sheet for professional user on request
